

OVEP One Fix System (OVEP-210 / OVEP-310)

The new range of one-fix system over-fascia vented eaves protector and bird comb products from Thysis Building Products has been developed from 20 years experience in the roof ventilation industry and in association with many of the leading manufacturers. This new, patented range is so revolutionary that it will transform both the roofing and roofline industry.

Over-fascia Vented Eaves Protector and Bird Comb

FEATURES:

- **Cuts out the potential requirement for three separate fixings - reducing labour costs.**
- Environmentally friendly, UV stable polypropylene - made from 100% re-processed material.
- Eaves Protectors have 1000mm length and 200mm cover width: significantly more than competitive products.
- Suitable for use with both full replacement fascia boards and capping fascia of all sizes.
- Suitable for roofs between 15 and 70 degrees pitch when either 10mm or 25mm ventilation is required.
- Strong and durable - designed to resist water ingress and ponding, with an easy fit overlapping engagement.
- Unique Split Skirt feature which allows 240mm sections to be easily lifted, to enable easy installation of gutter brackets.
- Strengthening ribs on underside are designed to not interfere with installation of gutter brackets.
- Engineered nail / screw ports, with sleeves to guide fixings into the centre of the fascia edge.
- Positive engagement of the separate bird comb onto the 2-in-1 Eaves Protector via male / female connectors.
- Nesting insect, bird and rodent resistant.
- Satisfies all NHBC requirements. Complies with BS 5250: 2002.
- All products come with a 15 year guarantee.

PRODUCT SELECTOR:

- OVEP-210:** 2-in-1 vented (10mm continuous) eaves protector
- OVEP-310:** 3-in-1 vented (10mm continuous) eaves protector and bird comb
- BC-1:** Separate bird comb for use with 2-in-1 products

All products contained in this brochure comply with current building regulations, British Standards and N.H.B.C. Requirements. Thysis Building Products maintains a policy of continuous development and reserves the right to amend or change product specification without notice, conditions of sale apply in all instances.
